Where they will be admitted in the normal admission round (i.e. -specify year groups), the number  
of places available within the PAN stated above will be reduced. In respect of all admissions, the

Parents should note that, where the Trust Board refuses a request for admission to a year other with the refusal of a place, Complaints Policy. Where a request is refused, the Trust Board will write to the parents clearly setting out their reasons for doing so.

Where the Trust Board agrees a request in principle, they will write to the parents confirming their agreement. A request for admission outside normal age group is not an application for admission, and parents will need to submit a separate application for admission in the usual way at the appropriate time. Where a request for admission to a different year group has been agreed in principle, the letter from the Trust Board confirming this must be submitted with the application for admission.

**It is important for parents to note that obtaining the Trust Board in principle to admission to a different year group does not mean that the child will achieve a place in that year group. The separate application for admission will be considered with all other applications for that year group and the oversubscription criteria applied where necessary. This means that parents who obtain agreement in principle to their child being admitted one year later than usual to Reception year may not achieve a place, and then be in the position of having to apply to other schools for admissions outside normal age group, or applying for admission to Year 1 which is subject to place availability.**
