LABELS!!

We have 489 children at the school. If a jumper/cardi does not have a name, or if the name is illegible due to washing off, we cannot return the items to their owners. These items will end up being donated to the 2nd hand uniform swaps. Lots of names are being washed off or becoming illegible. Please check ALL of your child's school items (including coats, water bottles and bags) and re-label where needed

Congratulations to the Avanti Park cross country team who ran their second race on the 7th of November at Collete Park. A huge well done to all who took part and a special mention to Isy H-S who still came 6th even after loosing a trainer in the mud and running back for it!! They looked fabulous in their new Avanti Park T-shirts.

Thank you so much to all those who have helped to make our Christmas Box Appeal so successful! These lovely boxes will shortly be making their way across Europe and will make a huge difference to vulnerable people, young and old at this special time of year. The boxes are going to be collected early next week so there is still time if you would like to donate to this very special charity event.

For further details and labels, please go to [Christmas Box 2023 is on! - House of Opportunity](#)
